Job Announcement: General Construction Associate position

About Us: Bubbly Dynamics, LLC is a social enterprise with environmentally responsible goals. Since 2002, we have been efficiently renovating buildings, transforming them from vacant and derelict eyesores to job centers and community assets. Bubbly is the owner/operator and design team behind The Plant (1400 W. 46th St.) and the Chicago Sustainable Manufacturing Center (1048 W. 37th St.). We are a friendly, informal organization with a strong team ethic.

Job Description: The General Construction Associate will work on a wide range of building projects in support of Bubbly's mission, often with salvaged materials and new technologies. S/he will report to Bubbly's Director or other staff members as assigned and will be based at The Plant, but will also perform tasks at the CSMC and related projects.

Roles & Responsibilities:

- Tasks may include rough framing, finishing, fabrication, equipment installation, maintenance, pipefitting, electrical, masonry, drywall, demolition, and getting very, very dirty
- Working safely, and assuring the safety of those around you
- Maintaining tools and workshop in a clean and orderly fashion
- Occasionally directing dedicated volunteers

Qualifications:

- 3 to 10 years construction experience in related trades
- General familiarity with building mechanical and electrical systems
- Must be able to work from ladders and lift 80lbs safely
- Willingness to learn new skills and figure things out on the fly
- Ability to recognize limitations and communicate if assistance or guidance is needed
- Ability to prioritize tasks, stay organized, and work independently, as well as with a team
- Personal integrity/responsibility and sense of humor are a must!

Position Details: Full-time, permanent, exempt. Hourly wage starts at $15-18/hour, depending on qualifications. This position is expected to require 40 hours/week, with flexible but regular hours and days.
